**St. Anne's School**

Est. 1969

Principal: Jean Raines

On behalf of all the pupils and staff at St Anne's School in Madrid, a huge thank you to *A.P. COLECTIVIDADES* for providing us with such marvellous lunches every day!

At St. Anne's we have been lucky enough to enjoy the lunches prepared for us by this excellent catering company for the last 10 years. Every day, they provide lunch for over 500 pupils, ranging from 3 to 18 years old, and for our teaching and non-teaching staff. It's the highlight of the day for most of us! In fact, when any of our past-pupils come back to the school to visit us, they always mention school lunches as one of the things they miss most about their school days!

It's easy to understand why, as the variety and quality of the food we are served is equal to many of the top restaurants around. Our lunches are always nutritious, well-balanced and delicious, with an excellent choice available. Individual dietary requirements are always provided for - nothing is too much bother for the lovely team of ladies who look after every one of us so well and so cheerfully!

A special mention must be made of Ana, our very own MasterChef, whose culinary talents are just out of this world.

At St. Anne's we consider ourselves extremely fortunate to count on the services of *A.P. COLECTIVIDADES*. Thank you!
